Flooring Installer

Description

We are currently expanding rapidly and are looking for qualified soft and hard surface floor covering installation professionals. If you install laminate, epoxy, carpet or ceramic tile, we want to talk to you! Additional bonus for installers with an active LEAD RRP certification!

- Steady work available throughout the year
- Competitive rates
- Weekly payment
- Fast load-outs from a professional warehouse team, so you can get on the road quicker

Responsibilities

Flooring installers cut, measure, and install vinyl, wood, epoxy, linoleum, and tile floor coverings.

Job Benefits

Our team continues to grow. Skilled installers can advance into a team lead and supervisor role for jobs in both residential and commercial.
